

Clapham Common, S. W.

Tuesday Evening

My dear Sir

Many thanks for the  
additional letters of introduction,  
which I shall post to my brother  
tomorrow.

I had a few lines <sup>dated Kingstown</sup> from him  
yesterday, announcing that in  
spite of the <sup>weather</sup> boisterous, they had  
so far progressed safely.

Believe me to remain

Yours very sincerely  
D. Hinbury.

D. A. Gray.
